Re: *In re New Jersey Tax Sales Certificates Antitrust Litig.*
Master Docket No. 3:12-CV-01893

Dear Judge Shipp:

We respectfully object to the request to submit further briefing in connection with the pending applications for appointment of lead counsel. Judge Wolfson set a briefing schedule for these applications that all the parties have followed. Judge Wolfson's schedule did not allow for any reply briefs or other further briefing. We do not see a reason to expand the briefing that Judge Wolfson ordered. A "supplemental" brief would more than likely lead to requests for further, responsive briefing and would only lead to delays in the litigation. We believe that the Court has a sufficient record to decide this question so that counsel for plaintiffs can get on with pursuing the merits of the claims instead of focusing their efforts on trying to advance their self-interests.

Thank you.

Respectfully yours,

s/ Lisa J. Rodriguez
